ABOUT THE BOOK

Uncover the important inventions that changed the world and saved lives, and the crazy creations that absolutely did not!

OUR THOUGHTS

"Very informative as well as entertaining, with a humorous writing style and illustrations to match. A great non-fiction choice for leisure reading."

KS3

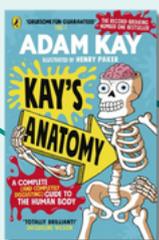

THEMES:

- Inventions
- Inventors
- Humour
- Discovery

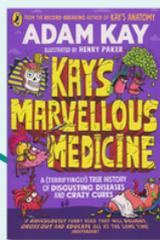

TIME TO TALK

- 1 This book concentrates on inventions. Which is your favourite invention? Why?
- 2 What would inspire you to invent something? Can you think of something that needs inventing?
- 3 In your opinion which is the invention that you couldn't live without?
- 4 The author uses humour in the sub-headings, for example '*back to the pooture*' Why do you think he does this? Which are your favourites?
- 5 What skills do you think you need to be an inventor?
- 6 Which is the most pointless invention in your opinion? Why?
- 7 What invention do you think will shape the future?
